Notes

- The Being Human series explores the current cultural stories shaping what our society believes it means to be human. It then teaches and reorients us to what the Bible says. Videos and Study Guides are all on line: <https://beinghumanlens.com/resources/series> Simply follow the Study Guide to lead your group through each session.
- If there are no discussion questions issued LG leaders to ask Malcolm for his, or can use generic sermon discussion questions which can be found here <https://bit.ly/ACC-LGs>
