Mistakes and Mess Ups

Good came from the disfigurement

From apparent failure, success!

The disfigurement of Christ

The disfigurement of Ecce Homo, and the good which came out of it, points to what happened to Jesus when he died on the cross.

HOPE

Hope even
when we fail,
mess-up & sin.

Hope despite our mess-ups

Forgiveness

God offers us forgiveness through Jesus even when we've messed up, sinned and failed to keep his laws.

HOPE

How about you?
Have you found
hope and
forgiveness from
God?
