

## 1 Cor. 2:6–16 | True worship is Spirit-led

### Study Questions from 21.06.2026 sermon

#### Discuss

- i. Read 1 Cor. 2:6—16. Worship should be Spirit-led because the Spirit brings revelation. Discuss where we see this in this in 1 Cor. 2:6—16, and discuss why we need revelation (Include features of modern society in your discussion, E.g. Social Media, AI, Influencers, Deepfakes, etc.).
- ii. Read John 4:23—24. Jesus says worship should be ‘in the Spirit’. Discuss what this means when we worship together and on our own.
- iii. John 4 points to Revelation 4. Read Rev. 4. Where is the Holy Spirit in this heavenly worship scene and why is this significant?
- iv. In the sermon, there were five simple ways to ensure our worship is Spirit-led:
  - Set aside our own agendas
  - Be still
  - Repent and confess
  - Expect/allow the Spirit to interrupt
  - Desire to meet with God.

Which of these do you need to get better at? Can you think of any other ways to ensure our worship is Spirit-led?
